May the Lord grant you understanding of this prayer journal as you pray, consequent upon which there will be changes in your life or your prayer group or Family, Church, Nation, and Continent. What is presented are not Jewish Dates or the Jewish calendar but what the LORD instituted which we all see manifested in the movement of the Moon every month. The enemy has always manipulated these bodies for which believers are just becoming aware. This season is also a special edition of revelation which brings a new breath of fresh air without adding to the word of God but confirms it and makes our faith stronger.

**You may wish to pray in two ways:-**

1. You can pray using the whole journal to pray into the womb of time according to the authority level granted to you by your appointment in the Lord. Expect the prophetic germination [as you saturate the ground and the womb of time with God's ordination] to happen. In any case ensure your seed remains in the ground as investment for the coming year. Determine, and command what this month should deliver to you and what it should not and must Not.
2. You can also use this daily for your prayers AND DEVOTION to prevail at the gate of each day, especially on critical days of intense warfare in the heavens. Remember that the day starts from 6pm for the next 24 hours. If you are in Britain for instance the time will be early hours of the next day in Hong Kong @ your 6pm.
3. This document may seem lengthy, but it shows the effort that was generated in prayer. You can keep it and save it for use in a good way.

Pray that your prophetic faculties will be on the rise and be enlarged and sharp...visions; dreams; interpreting symbols; applying parables; riddles; revelation and predictions; accurate delivery of words of wisdom and words of knowledge; intercessions; interaction with heaven etc.. Divine decrees to cause the future and many other such faculties.

**SHAPE YOUR DAY, MONTH AND CONSEQUENTLY YOUR YEARS**

Ignorance of what every month holds for you, your family, community, nation, the church and the continent at large has caused many to perish, miss out or not fully access what God has in store for them.

Understanding the heavens and what they signify every month is another very key aspect as we enter this new level of our assignments among the nations. While the kingdom of darkness has used astrology, prognostications, and all manner of demonic methods to control the

activities on earth using the heavens, the church continues in ignorance. They have even employed materialism to blind believers in Jesus Christ, whereas *all things are yours*

**We thank God for the many people whom He is raising in different parts of the world to understand what the heavens hold for us every month. As you seek deeper understanding, the Holy Spirit will guide you into greater revelations. Amen.**

# RIGHTEOUS JUDGMENT

**(This article is repeated because of its content by demand for its eternal consequences, please take note.)**

## Introduction

Our subject is righteous judgment. These are two words that need explanation and understanding. There is so much meat in those words that we cannot assume we “know”

*Dikaosune.* (Greek)

“How good is life for those who hunger and thirst for *dikaosune*, because they will be satisfied.” *Dikaosune*, or righteousness, means *living in right relationship with God, other people, and all creation.* We act with righteousness when we live justly, honestly, and faithfully according to God’s instruction.

In Jesus’ teachings, righteousness describes not only *fasting and prayer* but also *giving generously to the poor, forgiving others, and loving our enemies.* To live this way is to do right by the power of God’s grace. God also does righteousness towards us, that is, he does right by his covenant promises to people, to send our promised Messiah to renew the world, that is “in accordance with his promise, we wait for new heavens and a new earth where *dikaosune* is at home.”

## Receiving Righteousness By faith

*And he received the sign of circumcision, a seal of the righteousness of the faith which he had yet being uncircumcised: that he might be the father of all them that believe, though they be not circumcised; that righteousness might be imputed unto them also: Rom 4:11*

For if by one man’s offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ. Rom 5:17

I do not frustrate the grace of God: for if righteousness *come* by the law, then Christ is dead in vain. Gal 2:21

## Practicing Righteousness

Neither yield ye your members *as* instruments of unrighteousness unto sin: but *yield yourselves unto God, as those that are alive from the dead, and your members as instruments of righteousness* unto God. Rom 6:13

If ye know that he is righteous, ye know that every one that doeth righteousness is born of him. 1 Jn 2:29

Little children, let no man deceive you: he that doeth righteousness is righteous, even as he is righteous. He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil. 1 Jn 3:7-8

In this the children of God are manifest, and the children of the devil: whosoever doeth not righteousness is not of God, neither he that loveth not his brother. 1 Jn 3:10

## Judgment

**The process whereby a verdict is reached or the verdict itself**; it is bound up with the notions of justice and righteousness and it is of fundamental importance for biblical faith. The Bible tells us, the judgment of God is **according to truth against them which commit such things**. The word truth here, really refers to reality. God judges us according to reality, who you really are and not what you pretend to be.

“Thou shalt not judge” is a phrase that Christians hear frequently from believers as well as non-believers. Both groups tend to use this quote of Jesus’s from his teachings in Matthew 7 to their own advantage. But, we must be careful to take Jesus’ words in their proper context to understand exactly what he meant.

*We need to distinguish two senses of judging: condemning and evaluating. The former is wrong and is in view in Matthew 7. When Jesus says not to judge, he means it in the sense that the Pharisees judged others: their purpose was to condemn the person judged and to elevate themselves above that person. Now this is a form of self-righteous blindness that Matt 7:2-4 explicitly forbids. Such judgment is an expression of a habitual approach to life of avoiding self-examination and repentance and, instead, propping oneself up by putting others down.*

*But there is another sense of judging that is central both to moral purity/holiness and to showing tough love to another: evaluating another’s behavior as wrong, pointing that out to the person with a view to their repentance, restoration and flourishing. This form of judging another may bring short-term pain in the form of guilt, embarrassment and an experience of the need to change, but its long-term effect is (or is supposed to be) the flourishing and uplifting of the other.*

*Sometimes the most loving thing you can do for another is to tell him or her something hard to hear. This form of judgment is absolutely biblical. In fact, in Matthew 7:5, Jesus basically says that after one has appropriately engaged in self-examination and personal repentance, he/she is now in a position accurately and helpfully to evaluate another. This very same form of judgment is commanded in Galatians 6:1-2. It is moral confusion and cowardice to avoid intentionally evaluating other’s behaviour. It is moral clarity and courage not to condemn others.*

Today it is more important than ever for the church and her leaders to recover and proclaim judgment, not as condemnation, but rather as evaluation, gently yet firmly.

John 7:24 tells us, "Do not judge according to appearance, but judge with righteous judgment." The Bible has told us to judge, but we are to judge by what is right. We are not to condemn, and we are not to be judgmental. Rather, we should make evaluations. We should be discerning.

John 7:24 [MEV]: “**Do not judge according to appearance but practice righteous judgment.**”

### **Righteous Judgment Romans 2:1-3:20 (Key Verse: 2:5)**

“But because of your stubbornness and your unrepentant heart, you are storing up wrath against yourself for the day of God’s wrath, when his righteous judgment will be revealed.”

In Romans 2-3; we learned that our God, who is so gracious and kind, is also righteous. In his righteousness, he reveals his wrath against all the godlessness and wickedness of people. People become godless and wicked when they neither glorify God as God nor thank him. Then they make a society that is perverse and destructive. In a word, a world without faith is like hell. Therefore, we must live by faith.

God is the righteous Judge who holds all men accountable at the judgment. At that time, the excuses of the clever will not avail them. The justification of the intellectual will not help him. All men will stand guilty before God. From a sinner’s point of view, it is not good news. But from God’s point of view, it is absolutely necessary. **God’s righteous judgment *brings*** justice to his creation. God’s righteous judgment *vindicates* his holy and righteous character. God’s righteous judgment *is the foundation* of a new heaven and a new earth.

God’s righteous judgment will be revealed (Rom 2:1-5).

After hearing Paul’s scathing indictment against mankind in 1:18-32, most people are appalled. In their sense of righteous indignation, they are ready to condemn others, standing on the side of God. But in this section, Paul turns his attention from godless sinners to religious sinners, those ready to pass judgment on others.

Look at verse 1. “You, therefore, have no excuse, you who pass judgment on someone else, for at whatever point you judge the other, you are condemning yourself, because you who pass judgment do the same things.” Passing judgment is to declare condemnation and pronounce a sentence. Passing judgment is different from discerning between right and wrong. Only God has the right to judge men. Those who judge and condemn others are violating the spiritual order of the universe by putting themselves in God’s place. Moreover, we human beings are all sinners. One who condemns another is really condemning himself. There was a famous televangelist. Upon hearing about the sexual misconduct of a fellow televangelist, he began to denounce and condemn him. Shortly after, he was found to be the same kind of sinner.

Look at verse 2. “Now we know that God’s judgment against those who do such things is based on truth.” This is really a profound and meaningful statement: “God’s judgment...is based on truth.” Simply speaking, God knows the truth about everything.

1. In the first place, God knows the facts. God knows everything.

2. In the second place, God knows the motives of the heart. Understanding the true motives of another person is difficult for anyone. But God knows perfectly. In 1 Chronicles 28:9 David says, "...for the LORD searches every heart and understands every motive behind the thoughts."

3. In the third place, God does not show favouritism. Men are all biased and prejudiced. For example, there can be a trial in a court of law for the murder of a man and there may be clear evidence that a particular man committed the murder. Nevertheless, because the man suspected with evidence may be a powerful member of an inner circle and he is set free. But later may be retried and convicted and imprisoned. In that case, justice may be over 20 years late due to human prejudice. But God does not show favouritism. God always gives the right verdict, based on truth.

Will you not repent? Will you not start pure evaluation of matters in your life and around you?

Look at verse 5 again. "But because of your stubbornness and your unrepentant heart, you are storing up wrath against yourself for the day of God's wrath, when his righteous judgment will be revealed." There will be a day of God's wrath, when *his righteous judgment* will be revealed. Paul clearly says that on that day, the wrath of God that has been accumulating will be poured out in a full satisfaction of justice. This is hard for us to imagine and it is hard for us to accept. We don't like to stand before a traffic court judge. But on the day of God's wrath, all the unrepentant will be dealt with by God. Paul calls this God's righteous judgment. It is a final reckoning with men to settle accounts in full. To those without Christ, it is a terrible day.

## **What are the rewards of Christ?**

The New Testament describes five different heavenly rewards, referred to as crowns, believers can receive:

### **1. The Victor's Crown (1 Cor 9:25-27)**

**Those serving the Lord require that we set our sights on the things of the highest eternal value. Consider self-discipline. Consider how you spend your time, money and talents.**

### **2. The Crown of Rejoicing (1 Thess. 2:19)**

**This is the crown for those bringing others to Christ. It is the soul-winners crown. When was the last time you spoke to anyone about Jesus.?**

### **3. The Crown of Righteousness (2 Tim 4:8).**

**Jesus is the light that lights everyman that enters this world (John1:9). After your gift of righteousness, sealed by the blood of Jesus and being quickened by His resurrection what are your deeds or acts of righteousness? Are you a justice-seeker? Is it warfare?? Or battles you have won for the Lord? Is it in sacrifices for others?**

**Everyone who is a believer has areas that define us and where we shine brightest? Certainly, some are more prayerful while others can teach the bible better. Others are daring and bold kingdom builders. Others are game-changers and trend-setters. Others display their righteousness in being visionaries. Are you a self-sacrificer and optimist and mobilizer? Are you the gifted one and generous, pouring out ministry of the Holy Spirit**

**and material gifts? Are you the one always demonstrating the power to overcome evil? Do you show class to principalities and powers reigning in life? Are you the determined never-say die warrior? Are you that ambassador sent to the rich and poor and to all classes of humanity? Are you the bold leader and champion? Are you the protector of the sheepfold? Are you the faithful witness always showing up and keeping records?**

**4. The Crown of Life (James 1:12; Rev. 2:10).**

**These are brethren who overcome temptations, persecutions and even suffered martyrdom for Christ - butchered and killed for their faith. They refused deliverance. Believers who kept their faith when it was expensive to do so. They went hungry for months because they refused immorally and were laid off or exposed to famine. Have you ever gone behind bars for Jesus' sake?**

**5. The Crown of Glory (1 Pet 5:4).**

**This is the crown granted to faithful pastors, elders, deacons, Children church ministers, small group workers and ministry team leaders and more.**

These are written so we may encourage each other along the way. Amen

## ***WISDOM TO PREPARE for the Work with Eternal Benefits for all.***

We must think deeply about making Jesus known. He has given us the Holy Spirit, the Bible and many preachers but we need to be trained in our minds on how to be effective for the Lord.

Experience has shown that if we just count on our love and passion to make inroads in the mission field or as pastors or in ministry, we'd likely become burnt out and quit very soon. Instead, God gave us the wisdom to prepare. The interest you expressed at the AWMC24, must remain burning and you have opportunity to be trained.

If you just show up in ministry, hearts full of love for God and eager to make big changes for His Kingdom, you will likely be back home early, burnt out and disappointed.

Instead, God gives us the wisdom to slow down and discover how we could effectively work on His behalf, using the talents, skills, and education He blessed us with.

God cut us out for this work, but we are presently rough and unpolished. **Fullstature College of the Bible and Missions (FCBM) will help take out the raw edges, sand out the splinters and prepared you for God to add the varnish, readying us to begin your work. Don't get**

*us wrong we have always been a little unfinished, but God has helped us to help others since 1994. In this work, we will always need to be learning, growing, and adapting.*

### *Missionary Challenge*

The countries that have received the greatest amount of Western missionary attention over two centuries contain the greatest number of unreached and unreached people groups: China and India (which once included Pakistan and Bangladesh).

## **PROPHETIC PRAYER FOR THE MONTH OF MARCH 2025**

*David and others prophesied often in the Psalms about the whole earth experiencing salvation. These were prophecies about the kingdom. David, who was a king, prophesied often about the greater kingdom of his Seed, Christ, the Messiah. Some of those prophecies in the Book of Psalms are shown below:*

- *“You are My Son ... I will give You the nations for Your inheritance” (Ps. 2:7–8).*
- *“All the families of the nations shall worship before You” (Ps. 22:27).*
- *“The earth is the LORD’S” (Ps. 24:1).*
- *“According to Your name, O God, so is Your praise to the ends of the earth” (Ps. 48:10).*
- *“You who are the confidence of all the ends of the earth” (Ps. 65:5).*
- *“All nations whom You have made shall come and worship before you, O Lord” (Ps. 86:10).*
- *“The nations shall fear the name of the LORD, and all the kings of the earth Your glory” (Ps. 102:15).*
- *“Be exalted, O God, above the heavens, and Your glory above all the earth” (Ps. 108:5).*

*The vision of the prophets was always global. The kingdom would not be limited to Israel but would encompass all nations. The scribes and teachers understood this but did not understand how it would be accomplished. It would come through the death of the Messiah, the descent of the Holy Spirit and the preaching of the gospel.*

*When reading these scriptures there should be no doubt of the plan and purpose of God. This purpose comes through the church, the new-creation people, who will become a global phenomenon. The church could not be limited to Jerusalem. The Book of Acts is the story of the church and kingdom breaking out of the framework of the old covenant and breaking forth throughout the whole earth.*

# **Adopt-A-Missionary- A Missions’ Strategy**

<https://www.fullstature.net/adopt-a-missionary>

*...a strategy for loving the missionary family as well as the people groups, they serve*

Adopt-A-Missionary is a mission strategy that has gained momentum in missions over the years. What makes this strategy different is its focus. Historically, churches have focused on countries, and mission agencies have focused their attention on people groups. Adopt-A-Missionary focuses *on missionary families, or what we can call message bearers.*

For 5 years, my wife (of blessed memory) and I served as missionary representatives to the Kenyan peoples of East Africa. We divided the nation of Kenya into 6. Working with the missionary on ground we had a plan to evangelise the nation. We raised teams of two by two from Nigeria and planted 6 churches throughout the country. In the last 29 years + the FMI missionary teams have been helped by God to open the gospel among 40 unreached people groups. Our FMC churches faithfully prayed and the missionaries that we served with, and the church has supported them financially.

In 1990 for example, we were relocated to Kano with two major tribes- the Kanawas and Magusawas. We were led of the Lord to pay more attention *to tribal missions in 1993, where the gospel has never been heard while maintaining a church base.* Thankfully, our churches have continued to pray for and support the mission’s effort with this strategic ministry.

## **ADOPT-A-Missionary Defined**

What then does it mean to Adopt-A-missionary? It means committing yourself as an individual, fellowship group, local congregation, denomination, or mission agency to pray for and commit resources to win souls, establish believers, administrate the work within a specific people group through a missionary family or families. This commitment is continued until the believers in that people group can reach the rest of their people without outside (cross-cultural) assistance.

*We are agents of God praying, giving, and serving to see an adopted family reach out to bring sinners into God’s family.* This is the true meaning of Adopting a missionary family. One day this will be accomplished, and every tribe, tongue, people, and nation will give glory to God around His throne (Rev. 5:9).

## **Adopt a Missionary Family**

Fullstature Missions International is committed to the work of missions and has developed a ministry to bring into focus the Great Commission (Matt 28:19-20) set forth by Christ and to support missionary families need. We ask that your family prayerfully consider adopting a missionary family to be a blessing and to be blessed. After you have made an adoption, we

encourage you can send your missionary family an email to share about your family and to ask them to share with you. The FMI becomes a bridge to help people you may never know or meet. You can reach out to the missionary during Holidays, birthdays, or anniversaries or just at any time. Commit to lift your missionary up in prayer. (Phil 6)

It is also our desire to support more missionaries through our ministry budget than we currently can do. The missionaries we support currently are under-supported. In other words, the support we grant is not adequate. In most cases, we are nearly able (with Naira) to provide what will keep body and soul together leaving projects in the field undone. This is where you pause and do something.

It is our goal to ensure that every Missionary, supported through, (what we call) the General Fund which includes the “Faith Promise Offering” (FPO), are missionaries we, as a ministry want to support.

The money these Missionaries receive is totally dependent on what is given by the individual or families who have adopted them.

**Example:** Missionary “Felix” may have two families in First Baptist Church which chose to adopt him. They do so for a combined support of \$200 per month, one for \$75 per month and one for \$125 per month. Should the family who chose to support Missionary “Felix” for \$125 per month be unable to do so for any reason, Missionary “Felix” would only receive \$75 for that month. There will be a “shortfall” and the family who was unable to give what they had purposed to give would not be contacted and asked, “Where is your contribution”.

If you have a desire to support a Missionary, please feel free to fill out a “Adopt-A-Missionary Request Form” and return it to our ministry office.

### **Build a Relationship**

Develop a relationship with your adopted missionary family. Learn about their ministry and their ups and downs so that you know when to Praise God with them and when to lift them up in prayer. Being a missionary can have very hard times and there is great comfort when a missionary knows that God is always there and that there are people supporting them at every step.

### **Faith Promise**

In addition to your commitment to get to know and pray for your adopted missionary, you may consider supporting your missionary financially. Among some of the greatest difficulties that missionaries face is having their financial needs met. Missionaries typically spend a significant amount of time raising monies to support their ministries which in turn reduces the amount of time out in the field.

Would you prayerfully consider financially committing to a missionary? If you agree please fill out the form below and send separately.

**Thank you.**
